THE FOUNDATION OF THE ASNR

Come to the beach! Please join us in Long Beach, California, April 22-27, 2017, for the 55th Annual Meeting of the ASNR. Known for its 5.5 miles of Pacific Ocean waterfront, this southern California beach resort boasts a blend of city sophistication and seaside serenity. ASNR is delighted to provide a “4D” focus for this meeting, as depicted by our meeting logo: **Discovery and Didactics** for The Foundation of the ASNR Symposium 2017: **Diagnosis and Delivery** for the ensuing Annual Meeting Program.

Centered on Discovery and Didactics, the symposium will feature sessions on “What’s New?” in the role neuroimaging plays defining CNS disease mechanisms and how to best prepare for “What’s Next?” for our subspecialty in terms of training, teaching, and leading the process of lifelong learning. The annual meeting programming will address best practices in Diagnosis and Delivery, as we strive to provide value, promote quality in better health and care and consider cost. Our discussions will consider how to navigate the changing landscape of healthcare reform and reimbursement as subspecialists in a field that is changing at an equally “fast forward” pace!
